NEW SPIDER AND FEATHER TYPE CHRYSANTHEMUMS

New Varieties For Spring 1949 Delivery

You will surely want some of these wonderful new varieties of Chrysanthemums. While they are not hardy, they will stand lots of cold but, don't forget and leave the plants out all winter. People are more and more digging up their plants and healing them in cold frames because, you will have them next year. They are certainly worth caring for and you pay for them .. take the best of care and have them again next year.

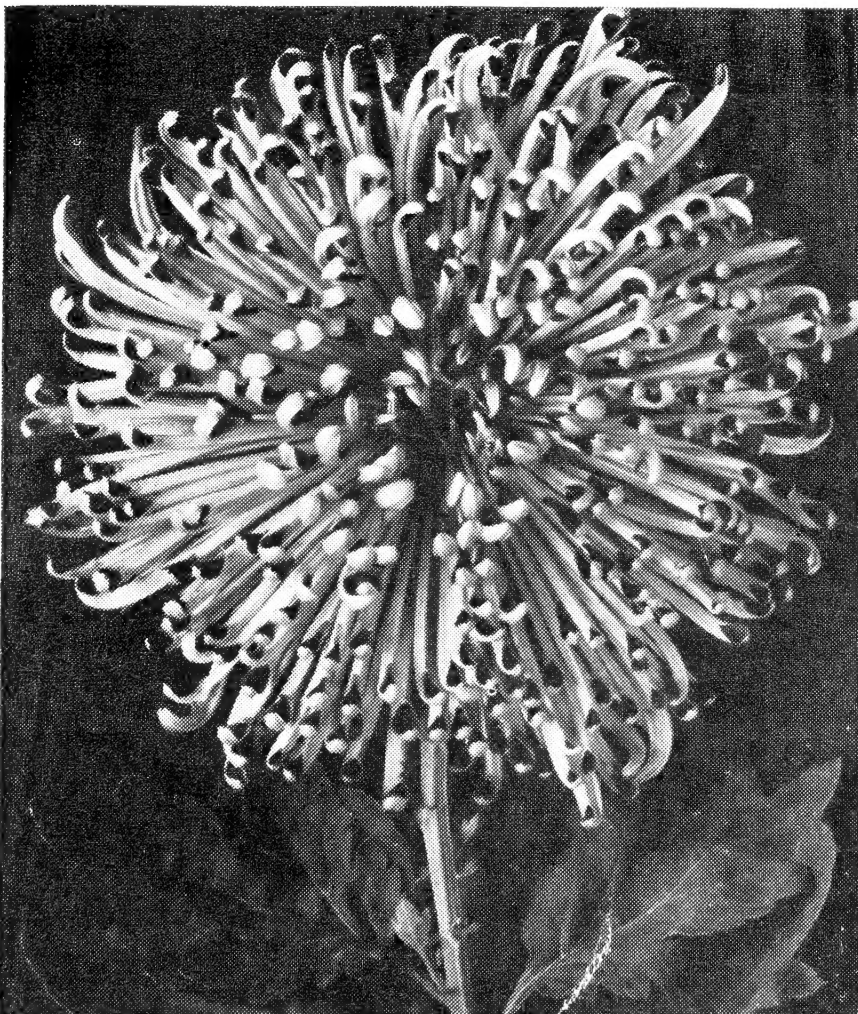

Reports from all over the country prove to us they can be grown almost everywhere. Their striking varieties with long tubular petals widening at the tips, curling ribbon-like, threadlike form are beautiful to behold. You can grow them. Stake them and feed them well and disbud allowing five to six stems to the plant and one good big bloom to the stem what a difference a little care and trouble makes results, you have a bloom that no words can describe in beauty, size and exquisiteness.

All plants from 2¼ inch pots. ORDER NOW and have them reserved for your favorite planting date in May or June. You will be glad next Fall you ordered early this Spring.

NEW SPIDER AND FEATHER TYPES — NEW 1949 INTRODUCTIONS

We have never advertised these varieties before this YEAR of 1949.

BERTHA OLIVER. A very beautiful flower with quilled petals of deep orchid-pink shades. The tips of petals are fish-hooked and show a deep pink.

Each \$1.00

3 for \$2.75

CATHAY

The quilled petals of this lovely variety are of a deep shade of copper with a brilliant red showing as the tips open and slightly curve upward.

Each \$1.25

3 for \$3.00

- CHUNKING.** A very distinctive flower with quilled petals on an unusual shade of salmon bronze and smoky chocolate lavender. **Each \$1.25**
- GEORGIANA HEDINGER.** Very full centered variety of the Spidery form in deep pink. Early flowering variety. **Each \$1.00**
- MARSHA.** A very unusual flower of great size and popularity. An outstanding pure glistening white with blooms 8 to 10 inches across. Petals are quilled with fish-hook tips. Foliage ideal and all blooms on strong stems. **Each \$2.00**
- MARIE TASHMIA.** Pure white flowers up to ten inches in diameter with fish-hook tips. Very beautiful. **Each \$1.50**
- MRS. STANLEY WALLACE.** A coppery orange spider variety invaluable as a cut flower variety. Strong stems and good foliage. **Each \$1.25**
- MRS. JERRY CRAIG.** Beautiful soft golden bronze variety with medium tubular petals and well curled at the tips of petals. **Each \$1.00 3 for \$2.75**
- NIGHTENGAL.** One of the very outstanding rare novelties in Chrysanthemums a distinct chartreuse green color. Must be protected from strong sunshine for best results. **Each \$1.50**
- PAUL MILLER.** A very beautiful medium sized flower of a buff quilled Spider type with a full red centre shading to a coppery tone. **Each \$1.50**
- PATRICIA GRACE.** Long, cord-like petals of a delicate rose-pink of an exquisite shade. If disbudded will grow up to 10 inches across. **Each \$1.00**

- SARAH MORASCH.** A lovely shade of rose pink with fine quilled petals. Must be disbudded to get the best results. **Each \$1.50**
- WAIKIKI.** Very full centered large Spidery type in bronze tones. Petals are incurved with fishhook tips of a rich golden color. Very outstanding. **Each \$1.25**

SPIDERY AND FEATHER TYPE CHRYSANTHEMUMS

1948 Introductions for Spring Delivery

We are pleased to present the following list of this new type of Chrysanthemums. We have found them very popular all over the United States, but advise that in the southern states they be protected from strong sunshine for the best results. Same culture can be followed as with all Chrysanthemums, however, to keep them over for next year they must receive extra protection, or moved to a cold frame under glass where they will come thru in wonderful condition. Disbudding is to be recommended to get the largest blooms on the plants.

- ALICE TASHMIA.** Beautiful white petals of the spider variety with long fishhooked tips. Good stems and foliage. **Each 65c 3 for \$1.75**
- ANTIONETTE BUSH.** Large white spidery type petals long and tubular with fishhook tips cascading from a very full centre. **Each 65c 3 for \$1.75**
- BESS WITT.** Pleasing combination of apricot bronze and salmon pink. Grows medium height and matures about Oct. 25th. **Each 50c 3 for \$1.35**
- BAMBU.** Large tubular orchid lavender petals with hooked tips. Wonderful cut flower variety with strong stems and excellent foliage. **Each 65c 3 for \$1.75**
- BUTTERFLY.** Very attractive light yellow spider type variety, medium sized tubular petals which are long and graceful. **Each 50c 3 for \$1.35**
- CATALINA.** Beautiful shade of orchid-pink with slender quilled petals hooked at the tips. Full centered flower. **Each 65c 3 for \$1.75**

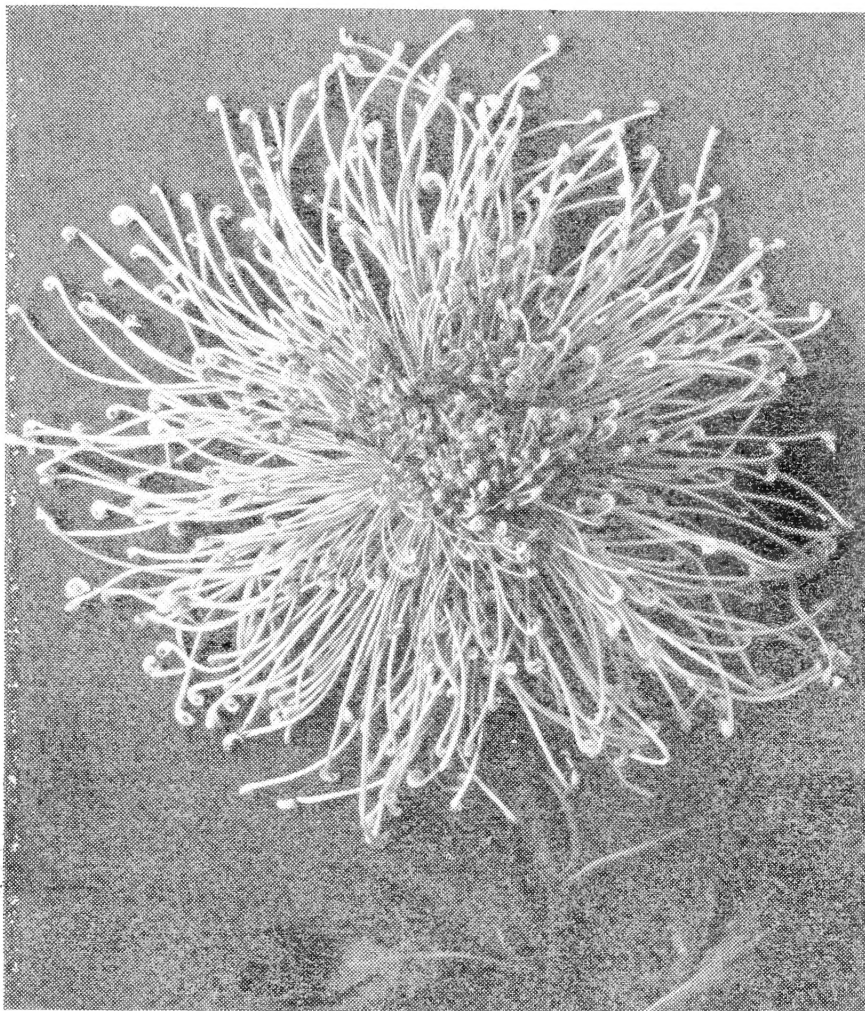

KAY TASHMIA. Clear beautiful pure white flower with large tubular petals with fishhooked tips.

Each 50c 3 for \$1.35

MAJOR GREEN. One of the two very distinctly chartreuse green Spidery type varieties. This variety together with "Nightengale" is not recommended for the southern states unless partially protected from the hot sun. It is however a very popular variety.

Each \$1.00 3 for \$2.75

PUNCH BOWL

Rich burgandy red spidery type with long lovely tubular petals falling from a full centered flower. Tips of petals are slightly hooked and tightly curled.

Each 75c

3 for \$1.35

PEGGY ANN HOOVER. Straight quilled petals with spoon tips of a lovely light pink color. Beautiful foliage and strong stems.

Each 50c 3 for \$1.35

SAN GABRIEL. Splendid deep yellow flower with tubular petals each tightly curled.

Each 75c 3 for \$2.00

SOUVENIER. Light salmon pink variety with a trace of lavender. Petals are long and tubular considered by many as one of the most attractive of the spidery types.

Each 65c 3 for \$2.00

SYLVIA. A deep solid pink with a delicate trace of lavender. Large tubular petals falling from a very full centre. Tips of petals are hooked showing reds within.

Each 75c 3 for \$2.00

UTAH. A very clear white spider with medium tubular petals. It has stiff stems and very attractive foliage.

Each 65c 3 for \$1.75

GUARANTEE. All stock is guaranteed to be free from disease and to be true to name.

COMPLAINTS. All complaints must be made within **FIVE DAYS** (5 days) after the receipt of order.

SUBSTITUTIONS. Absolutely no substitutions without your permission. However, to save time in shipping, will please make a first and second choice of varieties, so as not to delay shipment when you desire them. **PLEASE STATE A DEFINITE SHIPPING DATE.** As all stock is subject to former sale sometimes there might be a delay of a few days in order to fill out the varieties wanted. Will you please bear with us if this occurs when your order is received.

OHIO SALES TAX. All customers in Ohio must add an additional 3% of total purchase.

TERMS. CASH WITH ALL ORDERS, unless customers can furnish satisfactory references.

VISITORS. You are always welcome any time. We are **CLOSED ALL DAY SUNDAY**, but, come in and look around. You are always welcome.

We are now **BOOKING ORDER FOR SPRING 1949 Delivery.**

Send your order in Early.
